Why Read the Bible? One reason. It will change who you are. Romans 12:2b says this "...let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which good pleasing and perfect." As you get into the Word, the Word will get into you. But don't focus on just learning, focus on being changed by God's beautiful truth. As you read, meditate and apply God's Word, you'll grow up in Him and enjoy His will for your life.
